TC PARTICIPATES IN SAIGONTEX 2024

As one of the few textile garment enterprises in Vietnam with a closed production process from Yarn - Knitting/Weaving - Dyeing - Sewing, the Company's products are distributed in the domestic market and exported to more than 40 countries in the world such as the US, Japan, Korea, China, EU, Canada, UK... To keep up with domestic and world fashion trends and meet the increasing demands of customers, the Company has pushed strong Research & Business Development (R&BD) activities and has cooperated with the Korean Textile Research and Inspection Institute - KOTITI Global to check the quality of output products to enhance product quality. Currently, the Company has been researching and developing environmentally friendly product lines based on world fashion trends and life's essential needs through the use of recycled and sustainable materials. The company has been developing recycled Polyester, Viscose, Cotton materials and received environmental certifications (EU ECOLABEL) and sustainable development (Sustainable Apparel Coalition).

In order to bring products with outstanding quality and features to domestic and foreign customers, the Company participated in the Textile and Garment Exhibition Saigontex 2024 taking place from April 10 to 13, 2024 at the Saigon Exhibition Center (SECC).

At the Textile and Garment Expo, the Company's products including yarn, fabric and garment, especially the Company's recycled and environmentally friendly products have attracted attention and high appreciation by many customers and partners from many countries around the world such as UK, US, Korea, China, Russia, Kazakhstan, Japan, Vietnam come to visit and learn about products to find opportunities for cooperation and place orders.
